ITC Grand Chola, Chennai The world's largest LEED® Platinum green hotel, in the new constructions category embodies the essence of Southern India's most glorious empire, the Cholas - the greatest maritime power in Indian history, and possibly the only one to extend its territory across the seas. The unequalled artistry expressed during this period in their temples, art, architecture and literature is reflected in this ITC Hotels flagship property in Southern India situated in Chennai - the region's cultural and economic capital.

ITC Hotels, India's premier chain of luxury hotels, brings the global traveller, the best of the East and West -traditional Indian hospitality with contemporary international standards. Its presence with more than 50 hotels in over 70 destinations across the country addresses the needs of both, the business and leisure traveller.

Equidistant from the city centre and the airport, ITC Grand Chola is situated in close proximity to the centrally located Mount Road, Olympia Tech Park and Guindy, and is 8 kms from the international and domestic airports.
